[Continued from page 1]

We'd like to thank all the volunteers who donated their time, efforts as well as their personal funds to this project. A special thank you to the volunteer taking care of the entrance on Binz-Engleman!

We're looking for more volunteers to come and work together once a month on a weekend to put in new flowers, pull weeds out and clean up.

We're also looking for volunteers to dedicate some time every week to

mow the entrance islands and water the trees and flower beds.

Teen Power & Pride

The energy, abilities and friendships of the teens of Sunrise can now join in, get involved and improve our neighborhood. Years from now imagine looking back and saying I helped that tree or flower bed or park grow!

Be proud of driving by a great looking Sunrise entrance – we live here!
Proud to be Sunrise!
