SAFEЕ (Stop Abuse and Financial Exploitation of the Elderly) Program

Crimes against older adults occur everyday
But everyday there are heroes among us who try to make a difference

The *Hidden Hero Program* was developed to help further increase
public awareness regarding all forms of Elder Abuse,
including Financial Exploitation,
and acknowledge our community's
Hidden Heroes

Who is a *Hidden Hero*?

A *Hidden Hero* is a person who acts in a
completely selfless manner,
with no expectation of compensation,
while providing
assistance, protection or intervention
for an older adult

A *Hidden Hero* can be anyone you know
Someone you work with, your neighbor, or even
just an acquaintance

All nominations will be reviewed on a monthly basis by SAFEЕ committee members and recipients will be awarded quarterly with a certificate and plaque in a public forum. Please send your name and phone number; the Hidden Hero's name and phone number; and a short account of their actions
