

***Councilman Tackett wants to remind you...***

# Spring Forward!

Sunday 3/13/2011

A reminder from Councilman Tackett to move your clock ahead 1 hour this Sunday March 13th and to change the batteries in all your smoke detectors!

## Change your Clock.

## Change your battery.

The ***Change your Clock, Change your battery*** campaign is in it's 23rd year. The Program urges Americans to change their smoke alarm batteries when changing their clocks to daylight savings time on **Sunday, March 13th.**

The most commonly cited cause of a non-working smoke alarm is worn or missing batteries. Working Smoke alarms cut in half the risk of dying in a home fire, so stay safe and change those batteries!

For more information about fire Safety, contact the State Fire Marshal's Office :
