When it is lunch time, we get our bowls and spoons and line up at the canteen.

The cooks serve us lunch.

We show
our good
manners
and thank
them.

You can add some seasonings if you like.

After getting our food, we go to sit with our friends.

The table cloth makes the canteen more beautiful.

We can sit, eat, and talk with our friends.

When we
are done
eating, we
empty our
bowls in the
proper
place.

Then we
each wash
our bowls
with soap
and water.

G.K Lee & S. Lee

We must rinse our bowls with clean water.

We can use our washed bowls to get a drink.

We must put
our bowl,
spoon, and
fork away
after we
wash them.

We each
bring a cup,
toothbrush,
and
toothpaste
to school.

Everyone
must brush
their teeth
before
returning to
class.

Once a week on Friday, we wash the table cloths.

© 2007 - rev. 2009,

G.K. Lee & S. Lee

We wash
and rinse
them 2
times to
make sure
they are
clean.

G.K Lee & S. Lee

We wring the tablecloths prior to drying them.

© 2007, rev. 2009,

G.K Lee & S. Lee

The table cloths are hung out to dry.

© 2007, rev. 2009,

G.K Lee & S. Lee

Meanwhile,
other
students
are
sweeping
the floor.

© 2007, rev. 2009,

G.K Lee & S. Lee

This gives the staff time to eat lunch.

With everyone helping, the work is done quickly.

© 2007, rev. 2009,

G.K Lee & S. Lee

We even
sweep the
sidewalk
outside the
canteen.

© 2007, rev. 2009,

G.K Lee & S. Lee

By this time, the table cloths are dry.

© 2007, rev. 2009,
G.K Lee & S. Lee

The table cloths must be folded.

Then they will be ready for the next day.

© 2007, rev. 2009,

G.K Lee & S. Lee

We do these chores with no supervision from our teachers to show we are capable and responsible students.

© 2007, rev. 2009,

G.K Lee & S. Lee

This is how we have a nice and clean canteen where we can eat lunch.
