Spring is here and spring break is right around the corner!

If you are going to be going away on vacation, here are some things to think about before you leave:

- Ensure your house looks lived in; not vacant
- Ask a neighbor to use your driveway and change your drapes
- Have someone stay at your house
- Give a trusted neighbor a house key
- Cancel delivery of mail and newspaper or ensure they are picked up daily
- Set timers for exterior and interior lights
- Be sure all outside items are put away and secure
- Leave a radio and interior lights on

Residential Burglary Trend – Entry Gained Through Back Doors

This past week, there were 9 residential burglaries where entrance was either attempted or successful, through a back slider door or windows in bedrooms or kitchens. It is important to keep any fences leading to the back yard locked, as well as using secondary locking systems on slider doors and windows.

If your back/side yard is not lit up at night, consider installing motion lights. In addition, do an inventory and remove anything suspects can use to smash windows: rocks, planters etc. Always, if you see anything suspicious or have been a victim of a crime, call 911.
