## Entrance Signs Renovation

We've been brainstorming over how to replace the 'Sunrise' signs on the neighborhood entrances monuments. The quotes we got so far are far beyond anything the Association could ever afford with figures running in the thousands of dollars. We are currently considering creating signs ourselves with either painted tile or mosaic. If you would like to help or donate any funds please get in touch with us!

## Code Compliance Hot Tips: Dial 311

### High Weeds & Trash

When grass, weeds or trash is taller than 12" a notice may be issued. The City may clear the lot and bill the owner. Within 1,000 feet of a school or if over 48" tall the City may clear it at the owner's expense without notice. This applies to grass growing on the sidewalk along your property.

## Sunrise Wins National Night Out!

In 2010 Sunrise entered the National Night Out contest for the very first time. Shortly after our NNO that gathered over 250 neighbors around BBQ and catchy tunes, we created a scrapbook of the event as well as a musical slideshow with some of the best photos to enter the contest. Thanks to the great turnout, amazing volunteers and generous sponsors Sunrise has been awarded 2nd place for District 2 and San Antonio got 1st place nationwide!

We will be installing the new street signs donated by the City to celebrate this award. It is a very touching recognition of Sunrise and its residents.

What about next year? We'll be number 1 of course! Contact us if you'd like to be part of it! Ready, set, go!
