### **2. Animals and Pets**

No animals of any kind other than usual household pets shall be kept or maintained on any part or portion of the properties or lots and no horses, cows, goats, hogs, poultry, pigeons, rabbits or similar animals shall be kept on any portion of the properties or lots. **Declaration of Restrictions: Single Family Homes**

**3. Trade, Business, etc.**

No trade or business of any nature whatsoever nor any building designed or intended for such purposes or for industrial or manufacturing purposes for any dangerous or offensive trade whatsoever shall be erected, permitted, maintained or operated on any of the land included in said tract; neither shall any nuisance, dangerous or offensive thing, condition, trade or business whatsoever be permitted or maintained upon any of the said lands.

**4. Architectural Control**

No building, shed, fence, wall, retaining wall, pond, post, cover, swimming pool or other construction shall be commenced, erected or maintained upon any lot nor shall any exterior addition to or change or alteration thereof including but not limited to exterior facade color change and/or change in grade or drainage be made until the plans and specifications showing the nature, kind, shape color, height, materials and proposed location of same shall have been submitted to and approved in writing by the Declarant. In granting or withholding any such approval, Declarant shall consider whether such request is in harmony with respect to design and location to surrounding structures and topography. In the event the Declarant or its successors and assigns fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval thereof will be deemed to have been given by the Declarant. The Declarant shall have the right to assign the power to approve or disapprove at any time in its discretion, to a maintenance corporation, the members of which shall consist of lot owners, or to an Architectural Control Committee (Committee) which shall consist of three owners of record in the subdivision who will be appointed by the Declarant.
