April 2011

The Rouse For Recipes Is On!

Friends and Neighbors is putting together a cookbook, and we need your recipes. No Iron Chef techniques are required; just the prep steps for the standard fare that you've grown to love and serve. Think of the munchies you've prepared for parties past or that family recipe that everyone asks for. Recipes from your edible treasures can be photo-copied and sent to Palita Robinson at 6907 W 77th Street or e-mailed to her at palita@sbcglobal.net. Please provide your name and contact information in case there are any questions about your recipe. The cookbook is being created to raise funds to pay for future Friends and Neighbors social gatherings. If you have any questions, please contact Palita at 913/642-1242.
