May 2011

Neighborhood Group is taking a break after May's Meeting...

Keep up with us on the web...

With warmer weather headed our way, school letting out soon, and family vacations being planned, meetings for our Friends and Neighbors' group will go on hiatus after the May 18 meeting. To get an idea of what our neighborhood group has been up to visit our website at www.neighborhoodlink.com/Friends_And_Neighbors_-_Overland_Park/home. If you have email at home and would like to have your name added to our e-mail list, please contact Palita Robinson at 913/642-1242, or send an introductory e-mail to her at palita@sbcglobal.net. Meetings will likely resume in September.
