## Park Vandalism Found 5-28-11

More graffiti found on top of the picnic tables under the gazebo. This appears to be gang graffiti and we have to make a stand before the problem gets worse! If we all keep an eye out we <u>will</u> catch these deviants eventually. If you see anyone drawing or in the park after dark PLEASE call the Police non-emergency number **951-776-1099** and report it immediately. Your neighbors thank you!
