

## Car Carrier Stolen Off Car on Bradford 5-25-11

---

A neighbor had a car roof carrier ripped off the top of the car (some damage) and stolen while parked on the street in front of their house on Bradford sometime during the day. In broad daylight! When I spoke with the neighbor shortly after it was discovered she said she was awaiting a call back from the Police to file the report. If you see anyone suspicious PLEASE call the Police non-emergency number **951-776-1099** and report it immediately. Your neighbors thank you!
