Update: Keeping Our Park Well Maintained Sends The Message We Care and We're Watching . . .

The Rembrandt Homeowners Association Board of Directors have purchased and installed a trash can in the park under the gazebo to keep the park looking good by stopping the littering we have been experiencing. The landscaping company is emptying the can and replacing the liners for us. There still seems to be some people that refuse to use it so please keep an eye out and encourage these people to use the can we have provided for them so we send the message we care and we're watching!

Attention All Neighborhood Watchers . . .

There are new posts to the Neighborhood Watch section of our website at www.neighborhoodlink.com/Rembrandt/home. Just click **More...** in the **Pages & Links** section and look under **Neighborhood Watch** and **Vandalism Investigations and Pictures**.

If you see anyone vandalizing our park, or in the park after dark, from a safe place call the Police non-emergency hot-line at **951-776-1099** option 5 and report it immediately. It's up to us to help law enforcement keep our neighborhood safe through our Neighborhood Watch program and by keeping an eye out!

Please talk with neighbors and encourage them to sign-up on the website, and ask them to send an email to RembrandtNeighbors@hotmail.com with their name and address in the message to help us reduce our HOA costs, join us in the battle to get things done in this community, and keep everyone informed of the latest announcements and efforts. There's strength in numbers!!
