TAKE IT BACK III! "RE-DISCOVERING YOUR TALENT"

Friday, August 5, 2011 10:00AM – 4:00 PM

EVENT OBJECTIVE: We seek to support and guide our youth in developing their skills, talents and abilities through the creative arts. This event supports the various initiatives to choose peace and stop violence. Youth will leave the event with a wealth of information which will enhance their knowledge, expose their talents and provide them with a greater understanding of positive self-expression.

We are anticipating approximately 1000-1500 students throughout Broward County. Not only are we nurturing talents, we are bringing out community resources to empower and enhance our future leaders for tomorrow.

Please bring your own table, chairs, and tent.
