ABOUT OIC OF BROWARD COUNTY, INC.

YOUTH & FAMILY SERVICES DIVISION

OIC of Broward County, Inc., was founded in 2001 and has provided services to the Broward County community for 10 years. The mission of OIC of Broward County, Inc. (OICB) is to be a leader in providing quality self-help skills and employment opportunities for disadvantaged and underemployed residents, thus assisting them to become self-sufficient and productive members of society. OIC of Broward County, Inc. is an affiliate of one of the largest educational, employment training and placement, human capacity-building, industrial and community development organizations in America and abroad. Our parent organization, Opportunities Industrialization Centers of America (OICA), has 45 years of experience in serving the poor, unemployed, underemployed and youth through comprehensive vocational, customized training and support services.

OICB currently provides services to Broward County youth through four federally and locally funded initiatives. Since 2004, OICB has partnered with schools and community-based organizations to serve more than 6,000 youth and families through afterschool and summer programs that complement and enhance academic performance, achievement, and positive youth development. OICB has successfully implemented programs, using evidence-based curricula taught with fidelity to develop the strengths and skills of youth and equip them with the tools to make healthy choices, set and pursue goals, and develop healthy relationships. Program activities focus on academic support and enrichment, health awareness, risk behavior prevention, career development and employment readiness, family strengthening, relationship building, and character development. OICB's youth programs have served both middle and high school students in over 10 public and charter schools and over 12 community and faith-based organizations.

OIC of Broward County, Inc. is a non-profit organization serving Broward County residents. It is an affiliate of OIC of America, Inc., (OICA) one of the largest educational, employment training and placement organizations in America and abroad. The OIC philosophy is "Helping People Help Themselves" through training and education that provide access to a better quality of life.
