- *Learn the seven universal principles for successful urban ministry.*
- *Learn why urban ministry should be the focus of the contemporary church.*
- *Understand how the massive shift in population of every people group to the cities is the strategy designed by God as the most effective tool to reach the world.*
- *Learn the principles necessary for an effective long-lasting ministry to the disenfranchised.*
- *Explore the need, advantages and problems of church partnerships.*

The keynote speaker, **Author and Pastor John L. Thompson** is a world renowned authority on urban ministry and discipleship. A graduate of Grand Rapids Baptist Seminary, John has served on the staff of Armitage Baptist Church since 1998 and is currently Pastor of Discipleship. He has had a fruitful ministry directing the men's department, discipling men and conducting marriage counseling. John has lived and served in the inner city of Chicago for almost 30 years.

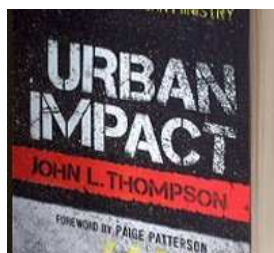

Dr. James Logan is Pastor at Kingdom Fellowship Christian Center and Head of the Department of Urban Ministry at New Life Theological Seminary. He works with diverse

people groups and is rapidly building a reputation as one of the leading experts in the area of urban ministry.
