BECOME PART OF PARTICIPATORY BUDGETING IN THE 45TH COUNCIL DISTRICT

It is no longer business as usual.

Participatory Budgeting puts real power over real money in the hands of regular people.

It is already working in Chicago and over 1,000 cities around the world. And with your help, we can make it work for our communities as well.

Here's your chance to get the improvements you want to see in your neighborhood.

Come to our first **Neighborhood Assembly** meeting. Hear how it works. Bring your family and tell your neighbors. There is food, childcare and live music! It's a community affair.
