Volume 1, Issue 1

Dear Neighbors,

Our 2nd "MULBERRY HILL FALL SOCIAL" is this Sunday, OCTOBER 16th. Join us in the festivities!!! What a beautiful time of the year to get together, meet old and new neighbors and enjoy an afternoon of great food and fun activities for the family before the weather turns cold.

We had our first neighborhood yard sale, and even though it rained, it went very well. Thanks to everyone who donated items to our GRCPNA Booth and volunteered their time and energy. I can't wait until we hold another yard sale, we learned so much.

Being such a new association, we have a lot of firsts. This is our first newsletter! Our first T-shirts are in, and they look great. They will be on sale Sunday at the social. We're still working on getting a team together for beautification projects and to Adopt-The-Park.

Take a moment to stop by the Block Watch and Membership Booths. Let us know your concerns or suggestions. We continue to look for opportunities and projects that will improve and enhance our area.

Renew your annual membership, or become a member. Your support and involvement is vital to our success. Everyone you see, from the person that delivers your flyer, helping with cleanup and social events, and members of the board of directors, are your neighbors volunteering their time and energy. I hope you will become involved too. We need YOU!

It's exciting to live in a neighborhood where we care about each other and are willing to give our time, energy and talents to make our great neighborhood even greater. Keep safe, keep healthy and keep caring. I hope to meet you and your family Sunday.

Have a Happy Fall.
Peggy Klein,
President
