Our Father God in Heaven we come before you asking forgiveness for the many times we have forgotten to say thanks. There are many days this month for this opportunity but the most important of these is Thanksgiving on the 24th. May we forget about filling our bellies and think of the many things we have for which we should give you thanks. We have forgotten that the 1st day of this month is "All Saints Day". A day when we should give thanks for the Saints (ordained and unordained) who have had influence on our lives. Hallowed Eve became "Halloween" a far cry from its original celebration. Our freedom to vote on the 8th is another reason for thanks. Do we ever think of the sacrifices made to give us that Freedom? Then comes Veteran's Day on the 11th. Most of us do remember the Veteran's who made the extreme sacrifice and those still fighting for that freedom for others. On the 28th Our Orthodox friends begin the Advent Celebration. The Advent of Your Son and our Saviour in whose name we pray. Amen.

Acting President's Message

By Diane Brinker

I would like to take this opportunity to thank Director MacDonald, the office staff (especially Mary Goodall), the Finance Committee and our Manager Loey Antonucci, for their diligent work on our Proposed Budget. By now you should have received your budget packet. As you will notice, the format has been restructured for less confusion, which makes each line item easier to read.

We need volunteers to work with me on Community Beautification projects. I'm excited to tell you Don Delzell and Gail Jones from our Garden Club have offered to be involved.

"Many hands make light work"

Looking forward to a great winter. See you around the Cove.

Letter From The Manager

By Loey Antonucci

Welcome Back Residents

As you head home, we hope you will notice that our staff has been busy sprucing up our community. We have made some positive changes out on the property and inside our office as well.

Our lobby has a welcoming atmosphere with a new additional smiling face behind the glass. Her name is Tina McGowan and she was hired for assisting Barb, Mary and I. Please come in and say hi so she can get to know you.

I would also like to welcome Jason Padgett, our new maintenance man, who is now collecting your brush and trash and doing light maintenance. He's working out great and completes our staff.

ACA News

By Paul Line

Our Cove is gradually coming back to life again. Lots of activities taking place. Our Craft & Christmas Bazaar will be Saturday November 19th, 2011 for more info or if a group or person wants to rent a table the cost is \$10.00 so please see Gail Jones or Don Delzell. They are the Go To people whom I would like to once again, extend thanks for stepping up and helping out with this important event. Remember folks, that the funds made at this sale help to subsidize our clubs and events throughout the winter months. So please, mark the date on your calendars and come out and help support this cause.

As of this writing, no one has apparently stepped forward to help organize the Bake Sale. Don't forget that 2 or 3 people can get together and run it. Also, canvassers for the Bake Sale will be starting soon, so please promise them that you will whip up that special cake, pie, loaf, cookies or whatever else and donate them to the sale. If you can't bake, then a generous cash donation is always welcomed too.

Hint, hint.....we would appreciate if the clubs would donate a tasteful raffle basket for the sale. So come on Clubs, get your thinking caps on and see what you all can come up with.

Take care, and see you all soon.

Taking An Obstacle, These People Created An Opportunity

Good ideas can be found in the most unexpected places. Here are two business ideas that sprang from challenges that would have meant failure to most people:

- During the construction of a high-speed railway line in northern Japan, a long tunnel had to be drilled through Mount Tanigawa. Water from the snows melting on the mountain's peak seeped into the tunnel, and engineers had to design a system to drain it. One maintenance worker suggested bottling the pure mountain water and selling it. The water was marketed under the name Oshimizu, sold in vending machines at train stations, and went on to encompass fruit juice and tea products sales of \$50 million a year by the mid-1990s.

- An entrepreneur went to California during the Gold Rush the 1840s to seek his fortune, but instead of panning for gold, he planned to sell tents to the thousands of treasure hunters. To his disappointment, the weather was so mild that most of the miners were able to sleep out in the open instead of investing in his tents. So he cut up his products and used the thick cotton material to stitch heavy, durable work pants. They became a hit, and the man's name, Levi Strauss, is a household name today. *(Provided by First Draft)*

Wow, fall is here and we hope everyone is enjoying this great time of the year. We have had a wonderful Indian summer up here in Ontario.....the weather has been almost as hot as in Florida. Our November meeting will be Wednesday November 9th at noon and Lorie Casey will be chairing the meeting. Our second meeting on November 23rd, will be postponed due to Thanksgiving the next day. I hope everyone has a great Thanksgiving holiday and remember to give thanks for all the wonderful things we have in our lives and the great community we live in. Don't forget to turn in all your aluminum. Looking forward to seeing you all back in the Cove.

(MOSTLY) THANKFUL FOR YOU HOROSCOPE

By Terri Mottl (Hi there, pumpkin!)

SCORPIO (10/2 - 11/22) We're thankful for your penetrating gaze and your hypnotic eyes, and for your ability to unravel all of your friend's deepest secrets, as long as we're NOT the guilty party!

SAGITTARIUS (11/23 - 12/21) We're thankful for your wide-open smile and honest opinion, and for your remarkable sense of humor, as long as you're not laughing at us!

CAPRICORN (12/22 - 01/10) We're thankful for your advice on how to rectify our checkbooks and organize our sock drawers, but, can't you, just once, wear something other than black or brown?

AQUARIUS (01/20 - 02/18) We're thankful for your "live and let live" attitude, your vision of the future, and your concern for mankind, but, sometimes, you have to come down to earth and get the car washed. Please.

PISCES (02/19 - 03/20) We're thankful for how much you really, really care for us, everything you do for us, and your willingness to listen, but, don't you ever get tired of swimming upstream?

ARIES (03/21 - 04/19) We're thankful for all of your energy and ambition, and most of your great ideas, but, really, SOMETIMES your opinion of us is just none of our business.

TAURUS (04/20 - 05/20) We're thankful for your strong and steady loyalty, and your knack of making us feel "at home", but, they don't call you a bull for nothing, if you know what I mean.

GEMINI (05/21 - 06/20) We're thankful for your ability to do two.....I mean, five things at once, and for all of the information you have stored in that head of yours, but, would the world really end if you just chose one activity at a time?

LEO (07/23 - 08/21) Ah, Leo, with your beautiful mane of hair and your sunny personality, we're so grateful for your attitude of, "I will, I will, I will", but maybe it's time to learn to ask, "Will you, will you, will you?" Remember the song, "The Lion Sleeps Tonight"?

VIRGO (08/22 - 09/22) We are ever thankful for your competence and quiet leadership, and for your analytical nature, but, won't you please stop straightening our wall art and picking the lint off of our sofas?

Coupons

By Jeanne Sheppard

Coupons are not new only new to me. It always seems to me that the stores are giving away coupons for merchandise I don't use. Should I buy what I need without a coupon, or should I buy something I don't need with a coupon?

This all started a few years back when I realized that my Sister's husband only took her out to eat if he had a coupon. Then my friend, Gloria, would remind me that there was a coupon in the ST. PETE TIMES for Steak N Shake where we eat regularly...Good deals, and great milkshakes!!

So, I started to take the coupon business seriously. After hours and hours of reading and cutting later...I carried my investigation right into Sweet Bay.

I had coupons for: 1. Heinz Ketchup; 2. Land o Lakes Butter; 3. Angus Beef Franks. These three items I could use and the total savings would be \$1.80. The only wrinkle in the whole deal was that the coupon for Land o Lakes Butter CLEARLY stated that you had to purchase TWO pounds to get the value of the coupon...which I did not read until I got to the cash register where the clerk read it to me while she pointed politely at the picture showing TWO pound boxes on the one pound box I chose. I agreed to make the purchase but I told her I could not walk back to the butter bin. She sent the very nice bag boy.

There is no moral to this story. If I were employed somewhere, I would not could not spare the time it took to save the \$1.80. If anyone finds a coupon which would get me a real break on one of those "just-baked" chickens, now that would be something to write about.

Human Interest Story

By Nancy Olson and Richard Burg

This past September two of our Cove Residents, Nancy Olson and her brother Richard Burg attended their sister Mary Ann Robinson's induction into the Wisconsin Amateur Hockey Hall of Fame. She was the first woman ever inducted into the Hall and her accomplishment didn't escape the notice of her sister and brother. Along with Nancy's husband Mark they attended the event in Eagle River, Wisconsin.

"It was a wonderful evening," Nancy said, "We knew that Mary Ann was very involved in Hockey but we had no idea about everything she has done to build the women's program in Wisconsin and across the country." They sat with three young women who went through Mary Ann's Camps and who now all Coach Women's Hockey in Colleges. Richard said, "Nancy and I were worried that all the emotion of the evening would 'get to' Mary but it was the two of us that teared up as she delivered a wonderful acceptance speech that received three standing ovations"

Both siblings were touched by the emotion and love that others expressed for their sister. Her husband Dave and their three children were mentioned frequently for all their support over the years.

Mary Ann's involvement in Women's Amateur hockey now stretches across the country.

Nancy and Richard's parents, Phyllis & Ervin Burg moved to their home in the Cove at 621 Mt. Newcastle in 1988. On July 4, 2001 Ervin passed away and when Phyllis died almost four years to the day, July 5, 2005, Nancy & Mark took over their place. The Olsons now live on Mt. Orange and Nancy's brother, Richard and his wife Breeze (Harriet) moved into the Newcastle home on a full-time basis last October. They like it so much that Breeze's Mother, Bobbie Thompson and brother Neil also live here!

Par-Seekers

By Dave Bernfeld - Secretary

Hope everyone had a great summer and is eager to start a new golf season playing with other Americana Cove golfers.

First, we have some new co-leaders for our league. They are Paul Line and Roy Christopher. Until their return in December, Ed Higgins will get things rolling for the first few weeks. There are many events planned (scrambles, etc.) plus our usual tournaments. The season continues through the winter ending with our banquet April 2nd.

The Par-Seekers golf league will start again on Thursday, November 3th. On that day, a short meeting will be held in the clubhouse at 9:00 before heading to Mainland's. Dues should be paid at that time. A sign-up sheet will be posted in the club house for this first day of the season. Please sign-up by the Sunday before (10/30). Remember, the first tee time is 10:15. Also, all Americana Cove golfers are welcome. If you have any questions, contact me or Ed Higgins.

Hope to see you there and join us as we kick-off another great season.

Hobby Shop

By Dave Bernfeld - Secretary

The Hobby Shop group will begin meeting again on Monday, November 7th, at 9 AM in the shop. As always, coffee and donuts will be available.

Dan Craft is our new president this year. He asked to remind everyone that the collection of dues will start again this year. So, bring your money!

Hope to see you there.

ACA Holiday Decorating

By Dave Bernfeld

Come, help, and enjoy! The Clubhouse tree trimming is planned for Tuesday, November 29th @ 2PM, followed by refreshments. This is a great opportunity to get in-the-spirit of the season. Please sign up; a sheet is posted in the Clubhouse.

Vespers

By Martha Pratt

We're about to start the Vesper season on Nov. 6th. For all newcomers to the park and those who may have never attended, I'd like to explain what Vespers is all about and then perhaps you'd like to come and join us. It is an interdenominational religious service for all residents in the park. There are no dues, but a free will offering is taken. Services are held each Sunday in the Atrium at 4:50 p.m. from the first Sunday in November to and including Palm Sunday. Easter is a Sunrise Service at 7:00 a.m. Each service is followed by refreshments in the clubhouse. At each service a local pastor is the speaker.

Faith is busy getting the pastors lined up. If you'd like to have your own preacher come to speak, please call her at 954-6708.

The choir has been rehearsing and getting their voices in tune to sing praises to the Lord. They could use some help in the alto section. So if you'd like to join them, they meet at 9:15 a.m. on Thursday mornings - no auditions required!

The Welcome Back Concert on Nov. 12th is ready, and the first-time ever singers at the Cove are ready to entertain everyone here in the park. Call me for \$6.00 tickets at 954-7948, if you haven't purchased one yet. Time is running out.

At this time, I'd like to give a huge thank you to Jeanne Pavlik for the great job she did keeping our treasury straight for nearly 10 years. We will miss you, Jeanne, and wish you the very best in your future in Wisconsin. Our new treasurer is Peggy Stuckey, and she looks forward to stepping up to the plate.

Pastors for November are:

Nov. 6 - Randy Weekly - Grace Brethren;
Nov. 13 - Bill Keller - Central Christian;
Nov. 20 - Roger Watts - Retired Methodist; and
Nov. 27 - Jerry Strasheim - St. Pete Lutheran.

I look forward to seeing all of the snowbirds as they return to the Cove and also new faces attending for the first time.

Tidbit

By Martha Pratt

Ed and Joe were eating breakfast at a local cafe. Ed says, "Joe, do you know you have a suppository in your ear?" "I have?" replied Joe. "A suppository?" and pulled it out and looked at it hard and said, "Ed, I'm glad you saw this thing? Now I know where my hearing aid is!"

A Heartfelt Thank You

From Joan Steich

A very heartfelt thank you to all the friends and neighbors for all of your cards calls and hugs. I deeply appreciate your concerns in the passing of my son Daniel.
God Bless You All....

Cue Club

By Sandie Reid

It's that time again when all the men and all the women get together to play in our Cue Club League. Our first meeting will be on Monday November 7, 2011 at 7:00pm. Besides signing up for the league, we do have a few things to discuss and change for the club. Our men will probably start their league on Thursday, November 10th; the women start their league on Wednesday, November 9th. We look forward to seeing everyone from last season and hopefully some new comers for this season.

Church/State Separation Week, Nov. 22-26. A celebration of the First Amendment of the U.S. Constitution: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof . . ."

Notice

By the Office

The clubhouse will be in use by the General Municipal Elections Tuesday November 8, 2011.

Why Thanksgiving?

By Terri Mottl

No, it's not because we Americans welcome any excuse to stuff ourselves with any tasty morsel we can talk mom or grandma into creating, but it's a holiday birthed in history....OUR history.... whether our families came here on the Mayflower or on a Boeing 747 two short years ago.

We were a motley crew of ill-prepared, wrongly-advised, and basically abandoned Europeans who knew little, if anything, about survival skills or living off of the land.

We were, quite literally, starving to death, freezing to death, and just plain tired of living under those conditions until the Wampanoag Indians, a peaceful tribe that inhabited what we now know as Plymouth, Massachusetts, taught us how to cultivate the land and to hunt wild game and birds we knew little about.

A grateful Governor, William Bradford, Invited the tribe to a "Thanksgiving" feast that included the new delicacies.....Turkey and corn. Ninety members of the tribe came, bearing gifts and needed items, and the feast lasted three whole days. (Being a mom and grand mom, myself, and the main cook and dishwasher in the family, I'm giving my own thanksgiving that we no longer have THAT!).

It wasn't until 1863 that Thanksgiving became a national holiday and Abe Lincoln Decree it the last Thursday in November. Roosevelt declared it the third Thursday in 1939.

As a little "giblet", Californians are the largest consumers of turkey in the U.S.

And, in case you needed to know this, Ben Franklin, who had an on-going sparring match with Thomas Jefferson, named our turkey, Tom, in order to spite him.

Shuffleboard Club News

By Jo Waldron

Get your shirt out of mothballs it's time to shuffle, my favorite time of year. It looks like we have full teams and are ready to go. A rundown of our Officers and Captains: President: Ed Walter; Vice President: Lennie Schmitz; Secretary: Joan Irwin; Treasurer: Lois Vogle. Captain of the Blue Sky team: Ruth Healy; Friendship I: Ed Walter; Friendship II: Pat McCarthy; Nova: Pat Vargas.

Unfortunately, due to scheduling, our Friendship teams will not be playing each other this year and that's too bad, these sister teams have such a good time when they play each other. Their first games will be on Tuesday, Nov. 8th, you'll get the details at the first meeting. Ruth Healy hasn't arrived from the North yet so I'm not sure when the starting date will be for Blue Sky.

Pat Vargas, Captain of Nova is ready to go! Unfortunately the league has scheduled the first game for December 1st; they are waiting for all the snowbirds to fly home. Pat wants me to be sure to remind all the newcomers that there's always room on her team.

Hours: Mon.-Fri. 8 - 5 • Sat. 8 - noon

6777 Haines Road • St. Pete

- Family Owned & Operated
- Appointments May be Necessary
- All Repairs Guaranteed • Full Service Repairs

The delayed starting date will give you time to learn the basics and get in a little practice before the season opener. You can call Pat or any of the other officers for further information. If you want to check out the courts and try it on your own, you are welcome to do that also, there are sticks and cues in the shed. If you see any shufflers there ask them for some direction-we're a friendly bunch and always welcome new players.

By the time you read this, the park personnel will have completed work on our bleachers, we are aware of how hard they work and we really appreciate their efforts to keep our courts safe and beautiful. . Also, if you see Art "Scotty" Scott around (and I'm sure you will) thank him for painting the bleachers, while you are thanking people, add George Luce to the list, he has kept his eye on court repairs all summer. Thanks to both of you.

Our first meeting is November 2nd 10 a.m. in the Atrium, please try to make this meeting, the first one is always packed with information about what's going on this season and you'd hate to get that second hand. Dues have been \$10 and I haven't heard any talk of raising them, if you are new and just want to check us out before you join that's fine too. In fact, you can attend all the meetings and there are a few open games you can participate in without being a member. But for the whole shuffleboard experience and fun---join the club!

Happy Shuffling

If peace be in the heart.

The wildest winter storm is full of solemn beauty.

The midnight flash but shows the path of duty.

Each living creature tells some new and Joyous story, flowers, trees and stone all catch a ray of glory.

Crafters

By Ginny Marcott

Now that fall is upon us the year round crafters will have some extra hands with or Northern crafters returning to the Cove. We have had a lot of great response to the crafts we did over the summer. Crafters will be just as busy this fall as they were during the summer. The Cookbooks that we worked on over the summer are in and available for sale at all luncheons, during our Monday meetings and by contacting me or other crafters. They are \$10 and have 148 pages of WONDERFUL recipes. We also have a limited number of Capitol Cookies recipe booklets for \$1. Crafters are always looking for new members as well as members who have been too busy to make the meetings. What better way to share your knowledge and skills with others. It is a great way to fellowship with people who love to spend their spare time doing the things they love and enjoy the most. Christmas is only 7 weeks away. Now is the time to think about a hand crafted gift to make someone smile. If you have anything in mind please let me know and we will see if we can help you out with your Christmas shopping list. December is also the time we turn in our items to be displayed at the STATE FAIR. If anyone wants to submit an article and is having trouble getting it done or has run into a snag getting it completed, please stop by our meetings and we probably have the perfect person to help you out. We meet every Monday evening at 6:30 in the Crafters Corner of the clubhouse. Hope to see you there.

Crafters Club Cookbook Taste Sampling

By Ginny Marcott

The Crafters Club will be having a sample tasting of some of the DELICIOUS recipes from the Americana Cove Crafters Club Cook Book on Monday evening, November 14th from 6:30 till 7:30 in the clubhouse. Each member will be making some of the recipes for you to sample and get a taste of the great recipes found in our Cook Book. Our cook books will be on sale at that time for \$10.00. Please stop by and enjoy the delectable array of food with us.

Americana Cove Attitude Of Gratitude Corner

By Terri Mottl

Thanksgiving time is here, and that's just what I'll do.

Here's my very long, long list of giving thanks for you!
To all of you board members who donate so much time
For very little glory, and never get a dime.

To Gary, Bill, Paula and Jason the world's best maintenance crew,

The beauty of our park is proof of everything you do!

To all of our club leaders, each and every one...

Who toil and work and stress yourselves so we can have our fun!

To all the guards who greet us and welcome us back home
And make us feel protected and never quite alone!

To Mary, Barb, and Tina, who step up to the task
And do your best to help us whenever we should ask!

To Loey Antonucci, it's not an easy thing

To keep it all together, but that is what you bring!

To Rita and your book crew; and our very loved library
Where we can check out anything and never owe a late fee!

To Conrad and your Listbot, you've opened up the lines

To share our jokes and stories and say what's on our minds!

To Sandie, editor-in-chief, of this, our own Forecaster,

You put it all together, and that makes YOU the master!

We may not show it often, but I just want to say,

"Thank-you, thank-you, thank-you" on this Thanksgiving Day!

"ALWAYS GIVING KUDOS TO MY FORECASTER CAST..DEBBIE AND TERRI"
