I know the difference between fruits and vegetables?

© 2007, G.K Lee & S. Lee

[illegible]

© 2007, G.K Lee & S. Lee

Note: This definition is arbitrary and subjective. It is not based on scientific study.

A collection of various fruits and vegetables, including corn, grapes, strawberries, yellow flowers, cucumbers, bitter melons, okra, and bananas, arranged in rows on a black background. The items are arranged in a grid-like fashion, with each row containing a different type of produce. The colors are vibrant and the textures are clearly visible. In the bottom left corner, there is a circular logo with Thai text and a globe, and a copyright notice: © 2007, G.K Lee & S. Lee.

Directions

1. The fruits and vegetables are shown in sets of two pictures.
2. Look at the first picture.
3. Try to say the English name of the fruit or vegetable.
4. Then look at the second picture to see the English name of the fruit or vegetable.

RTC-TH

Rural Training Center-Thailand

is dedicated to providing
community-based
environmental education
for the self-sufficiency
and sustainability of
small rural family farms

The RTC-TH was created to honor the memory of Mr. Tang Suttisan, a father, a farmer, and a man who valued education and used it in starting his family farm

REEEPP

Rural Environmental Education Enhancement Pilot Program

An innovative, non-traditional community-based environmental education program integrating math, science, geography, English language, and technology lessons for environmental stewardship using interactive experiential learning in outdoor settings at Ban Na Fa Elementary School, Nan Province, Thailand..

The End
