Park Vandalism Found 12-6-11

More graffiti has appeared on the playground, and although we provided a trash can just a few feet away, trash still appears. All the graffiti pictures below have been forwarded to our Neighborhood Watch Police Team for further investigation. If you see anyone littering, drawing, or in the park after dark PLEASE call the Police non-emergency number **951-776-1099** and report it immediately. Your neighbors thank you!
