Our Neighborhood Easter Egg Hunt and Park Key Fob Pickup Was a Fun Time For All . . .

We received a lot of great feedback from the homeowners, and the kids had a great time searching for the Easter Eggs! Many homeowners said they would like to see more activities in the future so the Rembrandt HOA Board Members are working with one of our residents on the next event – Memorial Day Cook-Out at the Park! We're planning a potluck dinner, 3 legged race, sack race, even an outdoor movie under the stars. Keep an eye out for more details to come. Thanks everyone for your help to make our first event so successful!

Our new Park Gate Lock is installed and your new key-fob is waiting for you . . .

The new Park Gate Lock will help reduce the vandalism we've been experiencing and ensure that only dues-paying residents are enjoying the facilities we've invested in. The Rembrandt HOA Board of Directors and homeowners would like to thank our fellow resident Greg Hyde for volunteering his time and materials to install the lock. If you didn't pick up your key-fob at the Easter Egg Hunt event you can go to our HOA Management office to pick it up or come to the Memorial Day Cook-Off later this month and pick it up then. Just be sure to bring a Drivers License if you're a homeowner and if you're renting also bring a current utility bill.

Please Be On The Look-Out . . .

One of our fellow residents has lost her cat and would really appreciate it if we could keep an eye out for her. She's a 12 year old calico cat with white chest, belly, and legs, orange, black, and white back and head with a black smudge next to her nose. Please email RembrandtNeighbors@hotmail.com if you have seen her.
