WHAT OTHER FUN EVENTS CAN YOU THINK OF?**

With the aid of grants from the City of St. Louis Park, the Elmwood Neighborhood Association organizes and sponsors many successful events like the ones above. After many years and countless hours of volunteering to put on these events, the majority of the current board will be stepping down in November.

**How can you help? The Association is
looking for new ideas and energy to join
the leadership team!**

We are looking for at least **SEVEN** energetic, friendly, fun-loving, and organized neighbors from the 20+ blocks of the Elmwood neighborhood to join the leadership team.

Hanna Barker, the current board President, will have a table at the picnic to answer questions and gather information from interested volunteers. You can also email her at hbarker54@msn.com.
