In a little over 3 months, we will be summiting on Mt. Kilimanjaro, Tanzania, Africa the largest free standing mountain on that continent. We have started this adventure to help raise money for a final push in the efforts of Rotary International to eradicate polio, a disease that has no cure. The \$6,000 we have committed to raise will go to the "End Polio Now" Campaign. (We are responsible for paying for our own airfare, climb cost and equipment.)

Please visit our web-site to read more about our preparation and to support our efforts by donating to Rotary's "END POLIO NOW" campaign. Any and all amounts which are tax-deductible are graciously accepted.

Thank you,
Jim Brown & Joni Stanley
