

Above is the Float that was in the 3 Rivers Festival Parade by the Wells Business Corridor to advertise the William Wells Day on August 4<sup>th</sup>, 2012 at the Historic Wells Street Bridge.

A lot of work went into making this Float, but look how it also was saved for another purpose.....FLOATING on the River.

Thanks to Paul for the wonderful picture. For Judy and Dan Wire for all the ideas and hard work. Thanks to others that also helped in making the float and marching in the parade.

GOOD JOB – HISTORIC WELLS CORRIDOR BUSINESSES

TO NOT ONLY PROMOTE THE DAY, BUT THE RIVERS!
