Greetings Neighbors:

September 25 the Briarwood Homeowners Association held its annual meeting. Vernon Tabor handed off the baton to a new team to ensure that Briarwood remains a great place to live. I am grateful to serve as the new president. I know that I speak for all of us in saying that we are excited about our new responsibilities. We live in a great neighborhood with so many wonderful people. I am reminded of this as I open the door over and over again to adorable “trick or treaters” this evening. My daughter and her friends are out there somewhere. If a witch and two mimes came to your door, the witch was my daughter.

To illustrate the strength of our neighborhood: when my 46-year-old sister passed away unexpectedly, our neighbors on both sides brought in a wonderful meal, which touched our hearts. When we needed a new roof it was a neighbor who helped us get a great deal. I know that many of you have the same type of wonderful neighbors as we do. Sometimes it is just the little things we do, such as waving and smiling, that make Briarwood a great place to live.

I hope you all have a wonderful holiday season. We will see you around the neighborhood!

## New Briarwood Homeowners Association Officers

**Tamatha Gilmore, Vice-President.** Tamatha is married to David Gilmore and is the mother of their four children. Their son David is married and lives in Cordova, TN. Daughter Candice Ingram is married and lives in Mooresville, North Carolina. Pictured here with David and Tamatha is daughter Alexis who is in 8<sup>th</sup> Grade at Appling Middle School and son, Troy who is in preschool. Tamatha is the parent sponsor of Alexis's competitive cheer team at Appling Middle School and does fundraising for St. Jude where Alexis is a patient.

Tamatha wants to be an officer in the Briarwood Homeowners Association because she knows how important it is to keep a neighborhood looking good and safe. She lived in a lovely neighborhood in Cordova and saw how quickly it deteriorated the last 5 years or so she lived there. She is excited about hopefully getting every resident to feel good about Briarwood and becoming a member of our association.

**Sharon Jayne, Secretary.** Sharon is married to Charles Jayne and they have three grown sons, one of whom is married, and one grandson. She and Charles are native Memphians and moved to Briarwood in 1999. Sharon retired from the Veterans Administration in 2004 and currently works part-time for Weight Watchers. Charles retired for the third time this year and they are excited about more time to travel. The picture to the left was taken on a recent trip to Alaska. This is Sharon's second year to serve as secretary of the Briarwood Homeowners Association and she feels the best part of being an active member of our association is getting to know more and more neighbors.

**Carolyn Gish, Treasurer.** Carolyn is married to David Gish and they have three grown daughters, all married, and two grandchildren. She and David moved to Briarwood in 2005. Carolyn worked for 11 years at MLGW and left there to become a full-time mom. David works in computer software. They are excited to have three children through college and the youngest married this last September. The picture to the right was taken in Hawaii where they recently celebrated their 30<sup>th</sup> wedding anniversary. Carolyn is active in her church teaching 4<sup>th</sup> graders and working in missions. She was Newsletter Editor for Briarwood the past two years and is looking for her replacement, as she is now treasurer! (If you are interested – please email Jim Sturgell!) Carolyn has been and is still pleased to be active in the association getting to know lots of people and making Briarwood a great community.

## New Briarwood Homeowners Association Officers

**Traci Daniel, Hospitality Chairperson.** Traci is married to Jeff Daniel and the mother of three wonderful children. Their oldest, Brianna, attends University of Memphis. Taylor attends Middle Tennessee State University and Cameron, 13 years old, is homeschooled. Traci and Jeff have lived in Briarwood for 2 years and have loved every minute living in this close-knit community. They love their neighbors and the safety of only one entrance to Briarwood. Traci delights in getting to meet and greet new neighbors who move into Briarwood!

**Charlene Kraft, Social Chairperson.** Charlene has lived in Briarwood for the last 12 years and loved every minute of it! She has two grown children. Her daughter lives in Virginia Beach, Virginia and her son lives in Whites Creek, Tennessee. The real joy in her life is her one grandson and one great-granddaughter! A crazy, wonderful chocolate lab named Amber is spoiled rotten and keeps Charlene company. Charlene enjoys working full-time at UT for a publicly owned company involved in cancer research named GTx, Inc. She delights in people and loves to entertain. As you can tell – Charlene is the perfect choice for Social Chairperson of Briarwood and she is looking forward to serving in this position for our neighborhood.

**Ronnie Cook, Beautification Chairperson.** Ronnie is married to Mary Cook and affectionately calls her his Better Half. He is employed by Videojet Technologies, Inc. as a Field Service Technician. His company services, installs and trains customers to spray ink or laser etches or apply labels on products like coke bottles, milk jugs, envelopes, etc. in industrial manufacturing environments. They are a manufacturing identification company. Ronnie has worked for this company for 18 years. This is Ronnie's first time officially to contribute to our neighborhood and he hopes to continue to keep the same enthusiasm that previous members have contributed over the years to help keep it a neighborhood we are all proud to live in. If he can influence one neighbor to keep their yard cleaner or enjoy the entrance that much more then his goal will be accomplished!

## Budget Concerns

We have 85 out of 109 homeowners currently participating in our Budget this year. We strive to maintain the front entrance and keep up our property values for all 109 homeowners. Are you paying your part of our expenses? Our budget is spent on mowing, City of Bartlett water bill, MLGW electric bill, plants for the entry, and repairs to the lighting and sprinkler system.

**PLEASE** encourage your neighbors to pay their fair share so we can maintain our entrance and keep up our property values.
