

The Driving Park Civic Association

Mission Statement and Objectives

(As Unanimously Adopted on March 12, 2007)

- To be a coordinating agency in the Driving Park community, in the area of communication and cooperation of groups and agencies (public and voluntary) active and interested in the constructive progress of the Driving Park area.
- To study the social and civic needs of the community in order to develop and implement programs to strengthen the general welfare in unity in the area.
- To promote public understanding of needs and resources.
- The organization shall be non-partisan, non-sectarian and inter-racial (Political interest). Commercial interest and sectarian doctrines shall not be advanced or promoted.
- Recruit and maintain an active public relations program in volunteer to the extent possible necessary to carry out the mission and objectives.
- Develop and maintain an active public relations program in furtherance of the Association mission and objectives with all branches of Government and the private sector.
- Develop and maintain a strong and growing capability at fund raising to financially support the operation and growth of the Driving Park Civic Association.
- Serve as a central point of contact for activities and communication between organizations concerned with the future, present and past in continuing to upgrade the neighborhoods.

March 23, 2012

The Driving Park Civic Association suggested the adoption of Communication, Cooperation and Coordination and the A.B.C. Attitudes, Behavior and Conduct. The above information are important when working with other communities organizations.
