

## **DOG WALKER(S) NEEDED**

I am looking for reliable dog walker(s) – preferably Belvedere resident(s).

I occasionally have last minute plans that keep me away from my residence for longer than the 12 to 14 hour period that my 10-year-old lab-mix can go without a walk and food/water replenishment.

Excellent references are required especially since applicant(s) would need to have the key to my apartment!

I am willing to pay \$9 per visit to start.

If interested in being added to my resource list of dog walkers, please apply to [endsimplifies@gmail.com](mailto:endsimplifies@gmail.com).
