

# Holiday Household Trash & Recycle Collection Schedule

There are no collections on holidays observed by the City of Columbus.

New Year's Day  
Martin Luther King Day  
Presidents' Day  
Memorial Day  
Independence Day

Labor Day  
Columbus Day  
Thanksgiving Day  
Christmas Day

NOTE: Collection days are not affected by Good Friday or Veteran's Day holidays.

## **For those assigned a color-collection day:**

The color-collection day moves forward one day after every observed holiday. For example, after a holiday, a color-collection day that was Thursday, moves to Friday until the next holiday when it will then move to Monday. Color-collection day customers can call their collection-color hotline, (614) 645-[COLOR]. Example: 645-NAVY (6289), to determine their current collection day.

## **For those assigned a day or two-day collection window:**

Holidays do not affect the trash-collection window for residents receiving Dumpster or 300-gallon container collection

Two-Day collection window customers with wheeled containers will normally receive collection on the first day of their two-day window. On weeks with a holiday, these customers will receive collection on the second day of their two-day window after the holiday. For example, if Independence Day is on a Wednesday, Wednesday/Thursday customers will receive collection on Thursday.

One-day collection window customers' collection will be delayed by one day after the holiday, the week of a holiday.

## **Subscription recycling and Yard Waste:**

Your subscription-recycling and yard-waste collection days are usually different from your trash-collection day. These collections are delayed one day after each holiday, the week of the holiday only. (Friday collections occur on Saturday, the week of a holiday.)
