The map shows a portion of our Bloomingdale area that is included in the study of rivers.

As a community, we need to take an active interest in the rivers. We need to keep our properties looking good and keep the streets and sidewalks safe and walkable.

Let's show the city that we are a proud neighborhood that wants to share our part of the city with ALL CITIZENS!

We want to welcome people to the "Heart of the City", a place where our Bloomingdale Neighborhood is located.
