## Block Party In June

Spring is now here, but soon summer will take it place. The neighborhood will start planning for the greatest summer block party ever. We will need all neighbors to participate in the planning. We need your ideas to make this a great event. Join us at our next association meet **at Mark Twain Elementary School, the last Tuesday of every month.**

## NATIONAL ASSOCIATION OF TOWN WATCH (TEXAS: OCTOBER 1<sup>st</sup>)

On Tuesday, October 1<sup>st</sup>, neighborhoods throughout Dallas and the state of Texas are being invited to join forces with thousands of communities nationwide who are participating in the "30<sup>th</sup> Annual National Night Out" (NNO) crime and drug event.

National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2) Generate support for, and participation in, local anticrime efforts; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

We need volunteers now! Come help us organize! We want this to be the best "night out" that we have ever had.

(See you at Mark Twain Elementary, April 30<sup>th</sup> at 7p.m.)

### President's Notes

*First, I'll like to say that we live in a great neighborhood, a neighborhood of caring neighbors who look out for each other. I'm very proud to be one of the leaders of such a great place. I have lived in this neighborhood for more than twenty-five years and have enjoyed my life here. For Southern Hills to continue to be a great place to live, each neighbor must perform his or her civic duties. One of these duties is to join our neighborhood association and show a concern about what's happening in this community. We need each of you to be an active participant in community affairs.*

*To our new neighbors, we welcome you to this community, and look forward to seeing you at our neighborhood meetings. This association belongs to all of us. This community needs each neighbor to show their concern by getting involved in the affairs of this community.*

*See you at the next meeting!!*

## Crime Watch Procedures

Step 1: If you are involved in an incident, call 911 to report the incident.

Step 2: Call SHNA Crime Watch at 469-619-7867.

Step 3: The Crime Committee will update the hotline message & post crime alert signs at the entrances of the neighborhood.

Step 4: Neighbors can call the crime watch hotline to receive the most current information on incidents in our neighborhood.

*Remember: Call "911" immediately to report all suspicious activity. Do not worry that you are bothering the police or about being embarrassed if your suspicions prove to be unfounded. The police prefer to investigate then to be called after the fact. Your call can save a life, prevent an injury or stop a criminal act. Be alert!!!*

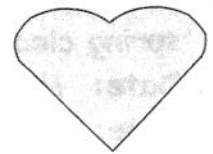

**Lincoln Rolling, Crime Watch Chairperson**

## Neighborhood Relations

The Association is concerned about the well-being of all neighbors, and we would like to assist all neighbors in their time of need. We can only do this when we are informed about their situations.

If you know of someone who is ill, or have lost a family member, we need to know so we can offer our support. Also, let us know about marriages, new births, and other events so we can celebrate with you.

*Eula Deloney, Chairperson (214) 372-4338*
