

Tennis anyone?

Interested in meeting others in the neighborhood that would like to play tennis?

Maybe get together for a friendly volley to work on your game?

I'd like to put together a contact list of anyone interested, **all ages welcome**

If you'd like to be included, please email your name & contact info to

theridgecommunity@gmail.com

with the **subject line: TENNIS**

Please **include** your **name, phone #** and **what level player** you are

Any questions, suggestions or comments,
contact: Robin Densten

If we get enough participants, maybe we'll even have an end of the season tennis tournament?!!
