President's Letter

Hello... and welcome to our community! We hope you notice the great things that are happening in our neighborhood. A special thank you is extended to David and Gloria Sellars, and the Beautification Committee for providing such a beautiful view of flowers when you enter the Old Farm Community. The executive board and I will continue to address the following issues: a membership drive to increase our membership number to 200 or more, preparing several help sessions to motivate our Block Captains to assist us in developing and maintaining safety in our neighborhood. We are still planning an organized effort to get the light panels in the Old Farm entrances replaced. We are also working with the Durham Neighborhood Improvement Services to address issues of violations of code of ordinances.

In this issue, you will find photos of the 2013 OFNA-Spring Fling that was held at the Old Farm Park. It was an exciting event and we could not have done it without our many volunteers and our neighbors. So, a special thank you to everyone and especially to those who helped deliver meals to our senior Old Farm neighbors. Please note the 2013 calendar of events. We need volunteers to attend the PAC 2 meeting. Be sure to attend our next meeting, scheduled for the second Thursday each month at Northern High School Media Center at 7:00 pm. This is a great way for you to meet your new neighbors, and for us to get to know you and your family.□

George Stevens,
President, OFNA

Purpose of the Old Farm Neighborhood Association

Old Farm Neighborhood Association was developed to:

- create a safe crime-free neighborhood and promote unity and pride within the community;
- make the community an aesthetically pleasing place to live, thereby maintaining/increasing property value;
- improve the quality of life for its residents;
- provide and encourage communications through the subdivision;
- provide and encourage social gatherings for members;
- solicit and raise funds to continue and enhance its operations, as is consistent with the Bylaws;
- inform and encourage community self-compliance with local laws, regulations, and covenant.

OFNA is made up of volunteer citizens who meet monthly to discuss and take action on issues concerning our community. OFNA works closely with Partners Against Crime District Two (PAC2), Inter Neighborhood Council (INC), city, county, state and national agencies to improve the quality of life in our area.

Get involved! Improve the quality of our neighborhood.

The Durham City Code of Ordinances (enacted June 4, 2012 can be located at the following URL:

<http://durhamnc.gov/pages/home.aspx>..... After the dropdown menu appears, select City Services and City Code of Ordinances.

A special thanks to the Social Committee and all who participated in making the OFNA-Spring Fling a success. We couldn't have done it without your support. To all who missed it, you missed a wonderful time. We had over 80 people in attendance. A special thanks is also extended to Baldwin Gammage for the photos.
