September 2013—CRHOA

SAVE THE DATE: OCT 12, 2013—FALL FESTIVAL

I can't believe it, summer is almost over and soon we'll get that first "taste" of autumn, just a little "chill" in the air. For some reason, I think fall is the best time of year, maybe it's all the beautiful colors or maybe it's just that the heat of summer is gone. We have had some awesome yards to choose from this year for Yard of the Month. Congrats to everyone who won!

So many great things are happening in Bartlett. School Board Elections are November 5, 2013. Isn't that just an amazing statement? Plans are still on course for Bartlett Municipal Schools to open the Fall of 2014. So many details and so little time. If you can spare the time get involved with your children's school, if nothing else join the PTAs in the school. It's going to take the whole City to raise this school system so pay attention, vote when needed and support the schools!

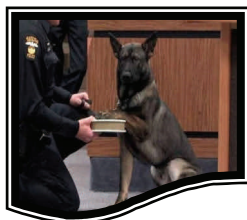

Looking forward to seeing everyone at the Fall Festival!

YARD OF THE MONTH—DECEMBER

The last Yard of the Month for the year will be December for the best Holiday decorations. The winner will receive \$25.00 gift card to Lowe's! So start making plans to light it up!!

September 2013—CRHOA

With more rain than expected this summer, the yards bloomed and choosing just one yard each month was sometimes a tough decision.

Our July Yard of the Month was awarded to the Tate family on Bristol Glen. What a happy family!

The August Yard of the Month was awarded to the Aaron family on Carolot. Their beautiful daughters accepted the gift card on behalf of the family.

The September Yard of the Month was awarded to the Fonville family on Gunievere.

That all folks for our summer presentations! Keep up the good work!!

The flower bed on the Ellendale/Carolot entrance has been replanted and looking good!!

SOMETHING TO CONSIDER:

Every month while searching for the yard of month, I noticed one thing in our neighborhood that really needs attention. A great majority of the house numbers are so close to the color of the house, they are hard to see. In some cases, bushes block the view of the number. Remember, in an emergency, seconds count and a first responder will lose precious seconds looking for your house number. Change the numbers to something darker that can be seen from the street, have it put on your mailbox, or have it painted on the curb. The curb painters come through every year and in an emergency, that \$20.00 to paint the curb (which last about three years), could mean the difference of how fast someone responds.

SCHOOL BOARD VOTE IS NOVEMBER 5, 2013 AND THE CANDIDATES ARE:
