4.01 Administration of Common Areas. The Association may employ a professional management agent to perform, subject to the supervision of the Board of Directors, those duties and services as the Board of Directors shall direct, including, but not limited to the collection of and accounting for Common Assessments made by the Association. Any management agreement shall provide for a rate of compensation to be established and/or approved by the Board of Directors, and shall further provide for the right of the Association to terminate with cause upon not more than thirty (30) days written notice and without cause upon not more than sixty (60) days written notice.

4.02 Membership. Each Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from the ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. The membership held by an Owner shall not be transferred, pledged or alienated in any way, except upon the sale of such Lot, and then only to the purchaser of such Lot. Any attempt to make a prohibited transfer is void, and will not be reflected upon the books and records of the Association. Evidence of transfer of membership shall be furnished to the Association in the form of a certified copy of the recorded conveyance of a Lot signed by the current Owner as reflected upon the books and records of the Association.

4.03 Voting Rights. The Association shall have two classes of voting membership, Class A Members and Class B Members, with the following voting rights:

a. Class A Members shall be all Owners with the exception of Declarant and each Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in a Lot, all such persons shall constitute one Member, and the one (1) vote for such Lot shall be exercised as they among themselves shall determine, but in no event shall more than one vote be cast with respect to any such Lot.

b. Declarant shall be a Class B Member and shall be entitled to ten (10) votes for each Lot owned. The Class B Membership shall cease and be converted to a Class A Membership on the happening of either of the following events, whichever occurs earlier:

(1) When the total votes outstanding in the Class A Membership equals the total votes outstanding in the Class B Membership; or

The Board of Directors have the authority, from time to time, to make reasonable rules and regulations ("Rules and Regulations") regarding the use and enjoyment of the Common Areas which are not inconsistent with this Declaration or the Articles or Bylaws of the Association. The Rules and Regulations will be binding upon all Owners. Copies of the Rules and Regulations will be provided to any Owner upon written request and all Owners will be sent written notice of any change to or amendment of the Rules and Regulations once adopted by the Board of Directors.

Article V

Assessments

5.01 Establishment. The Board of Directors have the responsibility and authority to assess each Lot for Common Expenses and each Owners of a Lot will be personally liable for the payment of Common Assessments levied during the time the Owner owns a Lot and the Common Assessment assessed against a Lot shall be a charge and continuing lien upon the Lot.

5.02 Annual Common Assessment.

a. Not less than thirty (30) days prior to the beginning of each fiscal year (to be determined in accordance with the Bylaws) the Board of Directors will, after taking into consideration all anticipated items of Common Expense, for the fiscal year, including a reasonable reserve for contingencies, fix and establish the amount of the Common Assessment for the ensuing fiscal year. Each Owner will be required to pay its proportionate part of the Common Assessment which shall be a fraction, the numerator of which is the number of Lots owned by each Owner and the denominator of which is the total number of Lots.

b. Following the establishment of the Common Assessment, each Owner shall be given notice of the Common Assessment and each Owner's proportionate part, but the failure of an Owner to receive the notice shall not affect such Owner's liability for the payment of each Owner's proportionate part of the Common Assessment. Each

Owner's proportionate part of the Common Assessment shall be due and payable by each Owner (excluding Declarant) in equal monthly installments as determined by the Board of Directors.

c. During the course of a fiscal year should the Board of Directors determine that the Common Assessments previously assessed will be inadequate, the Board of Directors from time to time may increase the Common Assessment for the fiscal year and each Owner's proportionate part. Conversely, should the Board of Directors during the course of a fiscal year determine that the Common Assessments previously assessed will create a surplus in excess of that necessary as a reserve for contingencies, the Board of Directors from time to time may decrease the Common Assessment and each Owner's proportionate part. In either such event, the Board of Directors shall notify each Owner of the adjustment and the revised amount of each monthly installment due by each Owner.

d. If the Board of Directors shall fail to fix and establish the Common Assessment and the proportionate part due by each Owner of a Lot for a fiscal year, the Common Assessment and the proportionate part due by each Owner of a Lot for the previous fiscal year shall be automatically established immediately prior to the commencement of the fiscal year so that there will be no interruption in the payment by an Owner of the monthly installments of the Owner's proportionate part of the Common Assessment.

e. Effective as of the date of purchase, each Owner who purchases a Lot from Declarant, will become liable to the Association for a pro rata part of the Common Assessment attributable to the Lot then established by the Board of Directors, determined by a fraction, the numerator of which is the number of calendar days until the next January 1, and the denominator of which is 365. The prorated monthly payment for the month in which a Lot is purchased shall be due and payable by each such Lot Owner within ten (10) days after receipt from the Association of a statement.

f. Anything contained in this Declaration to the contrary notwithstanding, Declarant, during the Development Period, shall have no obligation to pay to the Association the proportionate part of the Common Assessment applicable to Lots owned by Declarant. Declarant shall, however, during the Development Period, pay to the Association from time to time, as required, any amounts necessary (over and above payments to the Association by other Lot Owners) to satisfy the Association's current operating expenses on a cash basis. During the Development Period, Declarant shall have no obligation to contribute any sums to the Association on account of reserves. At the termination of the Development Period, the Lots then owned by Declarant, if any, shall bear their full proportionate share of Common Assessments.

5.03 No Exemptions. No Owner shall be exempt from liability for Common Assessments duly established by the Association. Further, no diminution or abatement of Common Assessments shall be allowed or claimed for inconvenience or discomfort arising from

the making of repairs or improvements to the Common Areas or Lots or from any action taken to comply with any law, ordinance or order of a governmental authority.

5.04 Vendor's Lien. In each deed of a Lot by Declarant to an Owner there shall be expressly reserved a vendor's lien (the "Vendor's Lien") to secure payment of all Common Assessments due and to become due pursuant to this Declaration, which Vendor's Lien shall be transferred and assigned to the Association. By the acceptance of a deed from Declarant, each Owner (and such Owner's subsequent grantees) assumes and agrees to pay the Common Assessments in accordance with the terms and provisions of this Declaration.

5.05 Subordination. If any Lot subject to the Vendor's Lien reserved for the payment of Common Assessments due and to become due pursuant to the terms of this Declaration shall be subject to the lien of a Mortgage: (i) the foreclosure of the Vendor's Lien shall not operate to affect or impair the lien of such Mortgage; and (ii) the foreclosure of the lien of the Mortgage or the acceptance of a deed in lieu of foreclosure thereof shall not operate to affect or impair the Vendor's Lien. Any purchaser at such a foreclosure sale or recipient of a deed in lieu of foreclosure shall be deemed an Owner of the Lot acquired and shall be responsible for payment of all Common Assessments accrued prior to and after the foreclosure sale or deed in lieu of foreclosure.

5.06 Delinquent Assessments. The payment of a Common Assessment shall be considered delinquent if not paid upon the due date and shall bear interest from such date at the rate of twelve (12%) percent per annum until paid. The Association shall also be entitled to collect a late charge in such amounts and upon such conditions as the Board of Directors may from time to time determine. Each Owner (whether one or more) shall be and remain personally liable for the payment of all Common Assessments which may be levied against the Owner's Lot by the Association in accordance with the terms and provisions of this Declaration until all Common Assessments, interest and late charges have been paid in full. In the event of sale or conveyance of a Lot the purchaser shall be required and entitled to cause such delinquent Common Assessments to be paid out of the sales price and, failing this, such purchaser shall become personally liable for payment of any delinquent Common Assessments by the purchaser's acceptance of a deed to a Lot from an Owner in default.

5.07 Collection of Assessments. The Association may enforce collection of delinquent Common Assessments by suit at law for a money judgment and may seek the appointment of a receiver and/or judicial foreclosure of the Vendor's Lien to be reserved and transferred to the Association. Failure to seek judicial foreclosure of such Vendor's Lien in any suit at law for a money judgment shall not operate to waive such Vendor's Lien, but the same shall remain in full force and effect to secure the payment of all Common Assessments due or to become due by an Owner.

5.08 Assessment Roll. The Common Assessments against all Owners shall kept on an assessment roll of the Lots which shall be available in the office of the Association for inspection at all reasonable times by Owners and Mortgagees or their duly authorized representatives. The assessment roll shall indicate for each Lot the name and address of the Owner or Owners, the

Common Assessments for all purposes and the amounts of all Common Assessments paid and unpaid. A certificate signed by an officer of the Association as the status of an Owner's Common Assessment account shall limit the liability of any person to whom the certificate is issued other than the Owner. The Association shall issue certificates to persons as an Owner may request in writing and shall be entitled to charge a reasonable fee in such amount as shall be determined by the Board of Directors from time to time.

Article VI

Article VII

Design Review Committee

7.02 Committee Approval of Improvements. Notwithstanding anything to the contrary herein, no Improvement shall be commenced, erected, constructed, reconstructed, placed, altered, removed, permitted to remain, or maintained upon any Lot, until the detailed plans and specifications for the improvement have been submitted to and approved in writing as to compliance with the Design Guidelines and these Protective Covenants, Conditions and Restrictions by the Design Review Committee.

The submitted plans and specifications shall specify, in such form as the Design Review Committee may reasonably require, including but not limited to engineering, grading, drainage, utility, structural, mechanical, electrical, and plumbing detail and the nature, kind, shape, height, exterior color scheme, material to be incorporated into, and location of the proposed improvements or alterations thereto. In the event the Design Review Committee fails to approve or disapprove such plans and specifications within forty-five (45) days after the plans and specifications have been submitted to it, approval will not be required and the provisions of this Section will be deemed to have been fully complied with; provided, however, that the failure of the Design Review Committee to approve or disapprove such plans and specifications within such forty-five (45) day period shall not operate to permit any improvements on a Lot to be commenced, erected, placed, constructed, reconstructed or maintained on the Property in a manner inconsistent with any provision of these Protective Covenants, Conditions and Restrictions or the Design Guidelines. Once the plans and specifications have been approved, the plans and specifications will not be materially altered, changed or revised without the approval of the Design Review Committee. The Design Review Committee also shall have full power and authority to reject any plans and specifications that do not comply with these Protective Covenants, Conditions and Restrictions or the Design Guidelines. The Design Review Committee shall have the authority to issue rules or guidelines setting forth procedures for the submission of plans for approval. The Design Review Committee shall be entitled to charge any Owner a reasonable fee for review of plans not to exceed \$50.00. Declarant shall not be required to submit to or obtain approval of the Design Review Committee with respect to any construction or improvements on Lot or portion of the Subdivision owned by it.

7.03 Membership. The initial Design Review Committee shall be composed of Justin Chapman, Kathy Parry, and Albert Olvera and the initial Design Review Committee's address is

4401 N. Mesa, El Paso, Texas 79902. In the event of the death or resignation of any member of the Design Review Committee, Declarant will appoint a successor. All appointments to the Design Review Committee by Declarant shall be by a written appointment recorded in the Real Property Records of El Paso County, Texas. All members to the Design Review Committee as designated above or appointed by Declarant will be referred to as the "Initial Design Review Committee". A majority of the Design Review Committee may designate a representative to act for it.

7.04 Members Compensation and Liability. None of the members of the Design Review Committee or its designated representative shall be entitled to any compensation for services performed pursuant to these Protective Covenants, Conditions and Restrictions. Design Review of construction, as provided in this Article, being largely subjective in nature, the action or non-action by the members of the Design Review Committee shall not subject any member of the Design Review Committee to personal liability nor shall the members of the Design Review Committee be charged with the responsibility for enforcement of the provisions of these Protective Covenants, Conditions and Restrictions. The enforcement of Design Review provisions under this Article by any aggrieved party shall be as provided in Section 5.03 below, and shall be pursued solely against the person or persons allegedly violating or attempting to violate the provisions and standards specified in these Protective Covenants, Conditions and Restrictions. The members of the Design Review Committee shall not be proper parties to such action.

7.05 Termination of Initial Design Review Committee. On the earlier to occur of: (i) Declarant's recording in the Real Property Records of El Paso County, Texas of a waiver its right to appoint members to the Design Review Committee; or (ii) residential dwellings having been built upon 100% of the lots in the Subdivision, the terms of the Initial Design Review Committee members automatically terminate without action or resignation by such members. At any time thereafter, the then record owners of a majority of the Lots shall have the power through a duly written recorded instrument to form a Design Review Committee of three or more members to govern the Lots. Successors to membership in the Design Review Committee shall be named in an instrument executed and acknowledged by the then Chairman of the Design Review Committee who shall be elected by a majority of its then members. Such instrument shall be recorded in the Real Property Records of El Paso County, Texas.

7.06 No Waiver of Future Approvals. The approval of the Design Review Committee of any proposal, plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Design Review Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposal, plans and specifications, drawings or matters subsequently or additionally submitted for approval or consent.

7.07 Variances. In its sole discretion under the circumstances set forth below, the Design Review Committee may grant variances from these Covenants. Any variance may include any conditions or safeguards which the Design Review Committee deems appropriate, such as the building location or landscaping, as restrictions filed of record and legally

enforceable. A variances from these Covenants may be granted under any one of the following circumstances:

a. There has been a bonafide mistake or error in construction (whether during construction or after the completion of construction) despite the use of qualified professionals; or

b. In the sole and final judgment of the Design Review Committee, the granting of the variance will not be substantially detrimental to neighboring Lots or have an effect on the value of neighboring Lots, the granting of the variance is reasonable and within the general intent of this Declaration and the requested variance does not violate the ordinances of the City of El Paso.

Article VIII General Provisions

8.01. Adjacent Land Use. Declarant makes no representation of the future land use for the adjacent land.

8.02 Term. These Protective Covenants, Conditions and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of forty (40) years from the date these Protective Covenants, Conditions and Restrictions are recorded, after which time these Protective Covenants, Conditions and Restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by the owners of the then current majority of the Lots has been recorded agreeing to terminate these Protective Covenants, Conditions and Restrictions.

8.03 Amendment. The Declarant expressly reserves the right to amend these restrictions (i) at any time as to any remaining land owned by it at such time, and such amendment shall in no way serve to release, modify or affect these Protective Covenants, Conditions and Restrictions as to any land theretofore conveyed, (ii) within seven (7) years from the date these Protective Covenants, Conditions and Restrictions are recorded in the Real Property Records of El Paso County, Texas, for any purpose deemed necessary by Declarant, and (iii) at any time in response to any governmental or quasi-governmental suggestion, guideline, checklist, requisite or requirement, particularly with respect to those entities or agencies directly or indirectly involved in, or having an impact on, mortgage financing, mortgage insurance and/or reinsurance. In addition to the right of the Declarant to amend these Protective Covenants, Conditions and Restrictions, a majority of the owners of the Lots may change these Protective Covenants, Conditions and Restrictions in whole or in part after seven (7) years following the date these Protective Covenants, Conditions and Restrictions are recorded in the Real Property Records of El Paso County, Texas. It is expressly agreed and understood, however, that the conditions and restrictions contained herein, pertaining to residential density, may only be amended, released, revised or modified with the prior consent of, and coordination with, all governmental authorities having jurisdiction over the Lot.

8.04 Enforcement. Owners of Lots shall comply with the standards and provisions of these Protective Covenants, Conditions and Restrictions and the Design Guidelines. Declarant or any Owner of a Lot, at their own expense, shall have the right to enforce, by proceedings at law or in equity, all restrictions, covenants, conditions and reservations set out in these Protective Covenants, Conditions and Restrictions and the Design Guidelines, either to restrain violation or to recover damages, without the necessity of posting a bond, cash or otherwise. The prevailing party in any enforcement action shall be entitled to recover his costs, including reasonable attorney's fees and expert fees. The failure to take any action upon any breach or default of these Protective Covenants, Conditions and Restrictions or the Design Guidelines or any delay in taking action to enforce these Protective Covenants, Conditions and Restrictions or the Design Guidelines shall not be deemed a waiver of the right to take enforcement action for that breach or default or the right to take enforcement action for any similar subsequent breach or default.

8.05 Severability. The invalidity of any one or more of the covenants, restrictions, conditions, or provisions contained in these Protective Covenants, Conditions and Restrictions or the Design Guidelines, shall in no manner affect any of the other covenants, restrictions, conditions, or provisions hereof, which shall remain in full force and effect.

8.06 Encroachments. It shall not be a violation of these Protective Covenants, Conditions and Restrictions for a Lot owner to acquire or own a portion of an adjoining Lot in order to comply with the building setback requirements or to resolve problems resulting from encroachment of buildings, rock walls, or other permanent improvements.

8.07 Interpretation. If these Protective Covenants, Conditions and Restrictions or any word, clause, sentence, paragraph, or other part thereof shall be susceptible of more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with the general purposes and objectives of these Protective Covenants, Conditions and Restrictions shall govern.

8.08 Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, males or females, shall in all cases be assumed as though in each case fully expressed.

8.09 Applicable Law. Nothing contained in these covenants shall supersede the applicable laws of any governmental entity having jurisdiction.

8.10 Rights Cumulative. All rights, remedies and privileges granted to the Declarant or any Owner pursuant to the provisions of these Protective Covenants, Conditions and Restrictions, shall be deemed to be cumulative and the exercise of any one or more of such rights, remedies and privileges shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other additional rights, remedies or privileges, as may be available to such party at law or in equity.
