I am homeowner at 625 Lenox Ave. I have lived on Lenox on and off since 1958.

My family moved onto Lenox Avenue in 1958. I went to Lenox Ave Elementary, and Seabreeze High School. When my Dad was diagnosed with Alzheimer's in 2001, I purchased the house from my parents. In the 70's, they had split the house into two units, I lived upstairs, and they continued to live downstairs. My Dad passed away, and my Mom recently moved into an elder care facility. My wife, Judy and I have just started updating the downstairs unit. A house built in 1925 has a few challenges here, there and everywhere.

Daytona Beach is a very special place for me. I grew up here, left, came back, left, came back.... The draw of the beach and beach lifestyle is very strong. *"This community can be a voice in what matters in our area, and I will work hard to make that voice heard."*
