Vice President/ Secretary

We live at 600 Lenox Avenue and are excited and happy to be residents of this wonderful neighborhood. We moved here from Atlanta in March 2012. We spent a year and a half looking for our Florida home, and we searched Ormond Beach, the Shores, South Daytona, and all over Daytona Beach...but we kept crossing locations off our list and coming back to this friendly beachside neighborhood. Now that we have found our paradise, we don't plan to ever leave! We are excited about the unlimited potential of this great neighborhood and hope that we can be of service to SANA to help achieve great things for our community. Please tell us how we can help to serve our neighborhood--we invite your ideas and suggestions; we hope you will get involved; and we look forward to a year of renewed enthusiasm for SANA. We LOVE living here!
