Membership in the Windsor Forest Neighborhood Association is only \$25 a year--please join!

Annual renewals are in June-- WFNA @P.O Box 60635, Savannah 31420

Anonymously report property maintenance issues to: [dsthurman@bellsouth.net](mailto:dsthurman@bellsouth.net)

**\*\*\*February 10th--that's the date for the next Windsor Forest Neighborhoods' Association general meeting! Same time--6:30 PM; same place--Windsor Hall on Briarcliff Drive. We are delighted to announce that Crimestoppers' new Interim Director Gianna Nelson will be the featured speaker. Also, before and after the meeting, there will be a table set up for the public to provide any feedback regarding the City's plans for expanded bicycle paths in Windsor Forest. Also, we look forward that evening to seeing our new Delta Watch Officer Brian Smith. Don't forget that Officer Smith's hours are basically Monday through Friday, 11:00 AM to 7:00 PM, and he wants you to contact him through his email address: [bsmith02@savannahga.gov](mailto:bsmith02@savannahga.gov)**

**It will be a very informative evening, so make your plans now to attend!**

**\*\*\*We have just received an update from the City of Savannah's Zoning Department. "Yard sale signs are only to be on your property. They are NOT to be on City property, electric and phone poles, etc." One may find more info under "Temporary Signs" on the City's ordinance page. Help spread the word.**

**\*\*\*Don't forget about the upcoming CITIZEN'S POLICE ACADEMY...Savannah-Chatham Metro Police will begin the next 13-week program starting February 13th (application deadline is Friday, February 7, 2014 with a \$10 check or money order). The academy is designed to allow residents to interact with members of the police department and the local justice system. The agenda is jam-packed, so if you are interested, contact Gianna Nelson at 651-2246 or access the Internet at [www.scmpd.org](http://www.scmpd.org) for details.**

**\*\*\*Want to make a difference for your street? Want to receive monthly communications with all the latest info pertinent to Windsor Forest? Want a chance to interact with some of your neighbors? If so, you are in luck! The Windsor Forest Neighborhood Watch Program is giving a shout out for new Block Captains as we have several streets in our subdivision in need! Those seeking info about the program should contact MaryAnn at 961-6277 or plan to speak with her in person at the February 10th meeting! Your neighborhood needs you!**

**\*\*\*Don't forget the following NON-EMERGENCY Police numbers: (1) Police number: 912-652-6500, Press 1 for a person (2) Daytime Fourth Precinct number: 912-351-3400 (3) CRIMESTOPPERS 912-234-2020**

**\*\*\*Please remember that, although the Windsor Forest Neighborhood Watch program is open and free to all residents of the community, it is only through the volunteer work of association members that the program is organized and run. The larger the membership, the more influence we have as we work with City and Police officials for the greater good of the subdivisions. Please join the WFNA!!**
