HOW DO YOU MOVE A 5-TON ROCK?

Ijams Nature Center has very generously offered to donate this hunk of marble for our neighborhood entry sign. You can see that they have been using it as a sign so it is the perfect size. It has raised lettering on it that can be sandblasted smooth and then our logo and “Historic Lake Forest” will be engraved on it by Buddy Mulkey of Island Home Granite, Signs Monuments. Vice Mayor Nick Pavlis has offered to help us cover some of the expenses (moving = \$500, engraving = \$800, landscaping = \$150) but we are still about \$350 short in our LFNA account. We are so close - please help!

Do you have any friends with moving equipment? Can you help with a neighborhood landscaping project? Can you pay membership dues?

\$350+ NEEDED = \$10 x 35 people (or \$20 x 17.5 people)

- ☐ \$10 for a single person/senior citizen

Please make your check out to: Lake Forest Neighborhood Association and deliver to Molly Gilbert, 304 Lake Forest Drive.

TOILET TROUBLES

Please don't flush wipes into the sewer system. Sanitary wipes are clogging up pumps and cause costly repairs. KUB wants to remind everyone that toilets are not trash cans. Despite the product advertising, it is best not to flush the wipes, which are not designed to breakdown like toilet paper.
