Pubic Safety Report from Jerry Martin

I will be coordinating the VillageDefense membership effort. I'm asking all Block Captains to assist by obtaining name, address and cell/home phone numbers of our neighbors for registration and send that information by email to me. Remember, membership is free, but for those neighbors who want a VillageDefense yard sign, (optional) the sign will cost just \$10. We highly recommend the sign because we feel it will act as a deterrent.

When you become a member you will be provided a number to call the Village Defense Hotline. To alert your neighbors of crime or suspicious activity. live operators talk to you about what's happening, then within seconds, blast out a notification to rest of the community via text message, cell phone call, landline call, and email.

Please join VillageDefense to help make our community safe and help fight crime. Membership for our community is free. Please see your Block Captain for registration

City Residents, Business Owners Must Register Alarm Systems

In an effort to improve public safety and better allocate resources, the City has enacted a series of amendments to the existing False Alarm Ordinance. The new ordinance will take effect on September 15, 2013 and residents will have until February 1, 2014 to register without incurring an unregistered alarm penalty. Residents can register their alarm system for free online at www.crywolf.us/atlantaga/ or by calling 1-855-725-7102. There is a \$150 fine for not registering an alarm. If an alarm is activated and it turns out to be false there is no fine, just a warning. The 2nd false alarm will result in a \$50 fine to the homeowner. Fines will escalate for each false call thereafter.
