

## AUTUMN VISTA SIGN UPDATE

By James Vale

In a report to the Board from the owner of the company contracted to build and install our new Autumn Vista entrance sign, he stated that all the required paperwork has been submitted, all the

permits have been applied for, and the proper agreements with the City of San Antonio have been made by the Tanglewood Residents Association board.

At the regular meeting on February 19, 2015, board members signed a letter to the city of San Antonio neighborhood planning department verifying that Board President, Carlos Madero, has the authority to act on behalf of the Tanglewood Resident's Association in regard to the sign. Upon acceptance of the letter, the TRA board expects the city of San Antonio to grant the permits necessary to begin the construction of the sign.

The contractor reports that the timeframe in which he expects to start building the sign is 1 ½ weeks. There will be a delay caused by some of the necessary parts having to be shipped from other regions, but we can expect the sign to be completed sometime around April or May 2015.

The TRA board is aware that this is an issue important to many of the residents in Tanglewood and we look forward to its completion as well.

Our former Mayor Howard W. Peak had a simple vision: a city encircled by an emerald ring of linear parks. San Antonians have voted three times to affirm that vision, and this May, you'll have the chance to do it again.

The Linear Creekway Parks Development Program has developed 46 miles of greenway trails so far, with another 40 miles under development. But I believe it's not enough to have the most or biggest parks. San Antonians also deserve the safest parks.

That's why last week I asked City staff to develop a strategy for bolstering security throughout the Peak Greenway Trails System by exploring options like new security camera systems, additional staff, Emergency Blue Light devices and an intensive public education campaign.

If you'd like to learn more about my park safety proposal or about the other work my office is doing, feel free to call us at (210) 207-0943.

*Another Warning re: Outgoing Mail**By James Vale*

The Postal Inspector will continue an investigation regarding the theft of mail throughout the Tanglewood community. According to the mail carrier, an investigation is ongoing regarding the theft of mail on several streets of our neighborhood.

Recently, a white pick-up truck drove up Capeswood Street and very likely, other streets in Tanglewood stopping at each mailbox, with the red flag up, and removed any mail from the box. Fortunately, the incident was captured on surveillance video, and reported to the Postal Inspector, and the San Antonio Police Department. The SAPD acquired a copy of the video, and the officer stated that their video department could easily determine the license plate and image of the individual driving the vehicle.

In the event that anyone sees a vehicle such as the one mentioned above, with the driver moving to the left side of the street so that he can reach the mailbox, you should immediately call the San Antonio Police Department at their non-emergency phone number, (210) 207 – 7425, and make a report to the Postal Inspector at (877) 876 – 2455.

In the meantime, it may be advisable to deposit any mail with credit or privacy information directly at the post office, and remove any incoming mail from your mailbox as soon as possible after delivery. And remember: Never mail cash.

### *Spring 2015 Tanglewood Neighborhood-wide Garage Sale Date Finalized*

*By James Vale*

At the regular board meeting of the Tanglewood Residents Association, the Board voted to hold the annual neighborhood garage sale on **April 11 and 12<sup>th</sup>, 2015**. During discussion of the vote, the board agreed to advertise the event on Craigslist and to post signs two days ahead of the first sale date, so that participants of the neighborhood would have sufficient time to purchase

permits from the city of San Antonio for their garage sales on those dates.

The 2014 neighborhood garage sale was considered very successful due to the number of garage sale participants, with the expectation that the 2015 neighborhood garage sale will be an even bigger event. The Tanglewood Residents Association will register the event with the city of San Antonio, however each person who plans

to hold a garage sale will be responsible for getting their own permits for the day or days that they plan to hold their garage sale. For questions regarding this event feel free to call TRA president Carlos Madero at (210) 823 – 4382.

Information regarding permits can be found at: <http://www.sanantonio.gov/ces/garagesales.aspx>
