F.B. No. :

SEWAGE DISPOSAL / INDIVIDUAL WATER SUPPLY
CERTIFICATION

"No structure in this subdivision shall be occupied until connected to an individual water supply or a state-approved community water system. Due to declining water supplies and diminishing water quality, prospective property owners are cautioned by Hays County to question the seller concerning ground water availability. Rain water collection is encouraged and in some areas may offer the best renewable water resource.

No structure in this subdivision shall be occupied until connected to a public sewer system or to an on-site wastewater system which has been approved and permitted by Hays County Environmental Health.

No construction or other development within this subdivision may begin until all Hays County Development Permit requirements have been met.
