

# MAY 21, 2015

# The Father Effect

**Fathers play a unique and irreplaceable role in their children's lives. Fathers that are involved help their children to better develop, learn, and grow.**

**Did you know that children with involved caring fathers:**

- have better educational outcomes
- are more likely to be emotionally secure and confident
- less likely to be involved in criminal activity
- less likely to experience depression and substance abuse
