### **About the 2nd District NPC**

The 2nd District NPC serves as a forum and advocate for district wide community concerns; regarding revitalization, rebuilding and enhancing the quality of life and general well-being of our neighborhoods. The council serves as a coordinating liaison with civic associations, city officials and community stakeholders.

### **About One Love Park**

In 2014 Wilmington City Council renamed the park located at Tatnall and 24th Street “One Love Park” in honor of the internationally renowned singer and songwriter Bob Marley who once lived at 2311 Tatnall Street in Wilmington, DE.

Marley's song “One Love/People Get Ready” offers a global message of peace and unity shared by the community.

In line with this message of peace and unity the brick drive encourages community ownership and pride in the park and also acts as a vehicle for those who encouraged the name change to honor Bob Marley, the inspiration behind the name One Love Park.

By investing in a Commemorative Brick you are creating many bookmarked moments that will be shared with insight and increased value in this historical setting that enriches the historical value of One Love Park that is situated in the North Brandywine Village Civic Association area that shares the values of the 2nd District NPC.

The brick will be nestled around the entrance of One Love Park that will capture the attention of many.
