**Re: 519 Atwood Street Triplex, Case # 3000-43e**

Public Service Company of Colorado (PSCo) Right of Way & Permits Department has reviewed the conditional use site plan for **519 Atwood Street Triplex**. The property owner/developer/contractor must contact the **Builder's Call Line at 1-800-628-2121** and complete the application process for any new gas service, or modification to existing facilities. It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details. Additional easements may need to be acquired by separate document for new facilities.

As a safety precaution, PSCo would like to remind the developer to call the **Utility Notification Center, at 1-800-922-1987** to have all utilities located prior to any construction.

If you have any questions about this referral response, please contact me at (303) 571-3306.
