Discussed the results of the reserve study done by Association Reserves Inc.

Answered questions about what is the purpose of the reserve study.

Took in ideas on ways to raise beginning funds - special assessment, raise dues (Annual Assessment), bake sale and yard sale. Discussed possibility of increase in dues or special assessment to be paid in two installments.

Several volunteers came forward. Established a committee to gather information on lots 86 through 96 and their legal status - are we responsible for them?
