

Directory Instructions for finding out who is missing

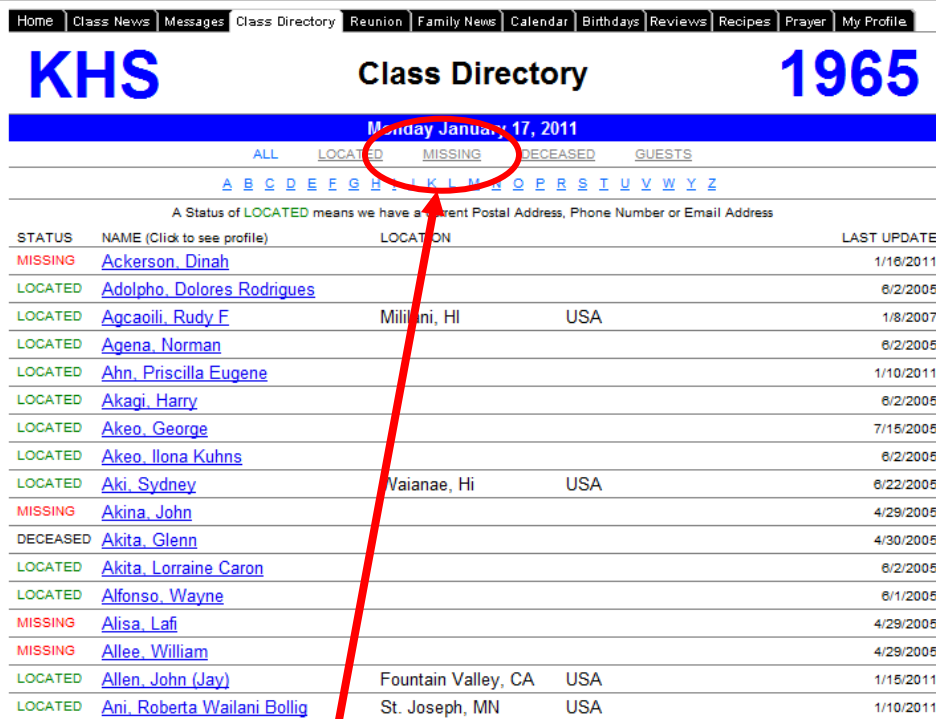

The class website is <http://classreport.org/usa/hi/kailua/khs/1965/>

This link should take you to the home page (see sample below)

The screenshot shows the home page of the Kailua High School 1965 Class website. At the top, it says "KHS" and "1965". Below this is a navigation bar with links: HOME, CLASS NEWS, MESSAGE, CLASS DIRECTORY, FAMILY NEWS, BIRTHDAYS, FUNDING, STORE, and FAQ. A red circle highlights the "CLASS DIRECTORY" link. Below the navigation bar is a large photo of a group of people at Paradise Cove Luau, Hawaii, 2005. To the right of the photo is a "Log On" section with a "Click Here to Register" link. Further right is a "Surfriders" section with a "BEST CLASS SITE" award badge. At the bottom, it says "This site is operated and funded by members of our class. Class Administrator: Glenice Chang Brown. Page Hits: 22,256".

Then look for and click on "Class Directory", which then opens a screen that looks like this:

The screenshot shows the "Class Directory" page. At the top, it says "KHS Class Directory 1965". Below this is a navigation bar with links: Home, Class News, Messages, Class Directory, Reunion, Family News, Calendar, Birthdays, Reviews, Recipes, Prayer, and My Profile. A red circle highlights the "MISSING" link in the directory. Below the navigation bar is a table with columns: STATUS, NAME (Click to see profile), LOCATION, and LAST UPDATE. The table lists members with their status (MISSING, LOCATED, or DECEASED), names, locations, and last update dates. A red arrow points from the "MISSING" link in the navigation bar to the "MISSING" status in the table.

For a classmate to be considered “Located”, we need to have any of the following:

- Mailing address (this is NOT shown on the website; but if it is in the database for the website, the classmate would be listed as “located”). However, is the classmate is registered with our class website, they can chose to have the city, state, and country displayed.
- Phone number (this is NOT shown on the website; but if it is in the database for the website, the classmate would be listed as “located”).
- E-mail address (this is NOT shown on the website; but if it is in the database for the website, the classmate would be listed as “located”). However, is the classmate is registered with our class website, they can chose to have their e-mail address displayed.

If you are able to locate a “missing” classmate, please encourage them to:

- Sign up as a member of the class website
- Enter their contact data in their profile on the website
- Send an e-mail to Steve Campbell (campbellbuilding@hotmail.com) to notify him they signed up on the class website and posted their current contact data there
- Send me (Greg Lee, geog2k1@yahoo.com) a current photo (individual portrait/head shot) and one of their family for the “Then and Now” photo project.

If you find a classmate is deceased (and this status is not shown on the class website), please get some corroborating information (date of death; obituary notice) and send it to Steve Campbell so we can update the class roster and records.
