# AKATEEN Rites of Passage Program for High School Girls

- The AKATEEN Rites of Passage Program for High School girls started in 1991 at Taft High School located at 170<sup>th</sup> St. and Sheridan Avenue.
- The Rites of Passage Program was founded to help young girls develop skills necessary to blossom into womanhood. The workshops are presented by chapter members and special guests. They address a variety of topics such as etiquette, history of our people, time management, community spirit, sexuality, finances, and speech writing.
- The Program is presently implemented at the Eastchester Heights Community Center, at 3480 Seymour Avenue.
- From October to December, the participants of the Program meet on Wednesdays from 6:30 pm to 8:00 pm; and January through May, participants meet on Mondays and Wednesdays from 6:30 pm to 8:00pm. There are two mandatory retreats; a local day retreat and a weekend retreat away from the comforts of life.
