ABOUT THIS BOOKLET

This is the seventh edition of the “HHH” booklet. There is no advertising, neither paid nor for any other consideration. The only source of the information contained is you - the homeowners of our Fairfield Sunrise Communities.

The information in this edition is current. This information is a consolidation of several hundred individual recommendations from our spring 2015 survey. Each referral was contacted and if they do not appear in this book, it is because they did not return our phone call/e-mail, they did not wish to be included or they are no longer in business. The number of recommendations for each vendor is at the end of the vendors listing.

Please note: the area code for listed phone numbers is 520 unless otherwise indicated.

Who made this book possible?

Your Homeowners Association distributed blank survey forms to you and collected the raw data from you. The data was then provided to the *Sunrise Associations Council* editorial volunteers who transformed the data into information, formatted and assembled into this book.

What is the *Sunrise Associations Council*?

The Sunrise Associations Council, or SAC, is a council of volunteer representatives from each HOA Board of Directors in the twelve Fairfield Sunrise communities.

The mission of this group is to assist the member HOAs, primarily by sharing information and ideas. Occasionally, circumstances require joining forces to influence the Pima County Board of Supervisors as they consider developing the infrastructure in this part of the county. The member associations are:

Sunrise Canyon
Sunrise Mountain Ridge
Sunrise Mountain View Estates
Sunrise Patio Homes
Sunrise Presidio East
Sunrise Presidio Townhomes
Sunrise Presidio Village
Sunrise Ridge Townhomes
Sunrise Territory Estates
Sunrise Territory Village
Sunrise Territory Village Townhomes
