June 2017

New Metal Sculpture Fence Coming to Community Garden in Mansfield Park

A new eastern fence for our garden will be made of recycled bike parts and can be seen from the 4th Ave Bike Boulevard. It will act as a place maker for the neighborhood and represent us through images of families dancing, homes and desert scenes.

Artist Troy Neiman has been selected to design and construct the sculpture (seen in the image above). You will see installation begin this summer!

Thank you to the Arts Foundations for Tucson and Southern Arizona for running the art selection process and to neighbors lylea, Susan, Mead and Leona for responding to the call for participating in the review.

For information about community gardens, classes, low income options, or to reserve a spot in our garden, call Community Gardens of Tucson at 795-8823 or visit communitygardensoftucson.org.

Welcome New Student Residents!

A large number of students live here, contributing to the area's vibrancy. Many long-time residents have cared for this neighborhood for decades, too. Introduce yourself and consider leaving your phone number with your next-door neighbors if you plan a party. Be especially mindful of noise during the hours of 10 p.m. - 6 a.m. to avoid risk of red tags. Please consider shutting windows and doors to keep noise in.

WHERE LIFE IS SWEET!

Northwest Neighborhood Association is a group of residents residing within the boundaries of Northwest Neighborhood who are joined together to build and maintain a strong, vibrant, and sustainable local community for all residents.

We aim to build community interaction among residents, improve and maintain neighborhood streets and public spaces, and improve health and safety of residents, through various means including implementing environmentally sustainable practices, education, the arts and advocating for improved municipal services.

Bronx Wash Murals Grow

The Bronx Wash murals started to brighten up our neighborhood a few years ago and became the perfect site for ongoing collaborations with the Tucson Arts Brigade. Volunteers design the murals, prepare the rough surfaces, fund raise and finally transfer their designs. Recent artists include: Emma Bayne, UA Student, Rebirth 2017: "I love being able to give something back to the community which raised me." Teresa Altamirano, Artist and Mom (her first mural, in progress) Sneha Srinivasan, UA Student: "I wanted to see how art could spread a message of kindness and hope." Nikki Ortiz, Illustrator, Muralist, La Paz Ms Hazzard, Barcelona based artista: This mural has been seen around the world online, making the Bronx Wash Murals an international, street arts destination. To help make these murals possible, tax deductible donations can be made to:

BICAS is Making the Neighborhood its New Home!

BICAS is happy to announce that they have found a new home and it is just off the beaten path of the 4th ave/Fontana bike boulevard! They will be at 2001 N. 7th Ave starting in September 2017. BICAS will be hosting the 4th annual "Hottest Day of the Year Ride" on June 24th. This fun, family friendly fundraising ride will start at the current BICAS location, have cool-down stops along the way with activities, and make a stop at the NEW BICAS building for a first look at the new location! After that we will head over to Mansfield Park for BBQ and pool! Troy Neiman at BICAS says, "We want to let our new neighbors know and we look forward to bring bikes and art your way soon! We hope to be an asset to the NW and surrounding neighborhoods and continue the work we have done in Tucson for 28 years in a new location!"
