

Mars Hill Entrance Landscaping

Hello Mars Hill neighbors!!

In 2010, when the original Mars Hill landscaping at the entrance to the subdivision had become overgrown & unsightly, it was removed and replaced with the current plants & shrubs. At that time, a neighborhood collection was taken to cover the cost of these items, along with mulch, solar lighting, topsoil & other supplies needed for planting. Due to the generosity of so many neighbors, the project was successfully completed with even a little money to spare. Unfortunately, now after seven years of maintenance, the small surplus is dwindling. Since Mars Hill does not have a neighborhood association, there is not a regularly scheduled collection of funds. Therefore, we are, once again, appealing to our Mars Hill neighbors to make a contribution to assist with the expense for maintenance & also a few renovations that are needed. The proposed renovations, depending on funds received, are adding rock to the road buffer/drain area and possible replacement of the stone wall.

In order to make the process simple & easy for everyone, there is an account (#3508) set up with US Bank at the Hebron Kroger. Feel free to deposit whatever amount you would like. Any sum, small or large, is greatly appreciated. We would like to complete the mulching before the onset of the cold weather, so we are encouraging everyone to make a contribution by October 23rd. If each home (of which there are 83) gave \$20, we would have more than enough to help with maintaining the appearance to the entrance of our neighborhood. We hope you will join us in this endeavor!!!

If you have any questions, please feel free to contact the following neighbors:

Eric or Stephanie Stambaugh.....Eric.Stambaugh.es@gmail.com

513-544-8079

Paul or Lynne Goodridge.....tannerhillky@yahoo.com
